Message from Mr. Head!

Welcome back to all our wonderful pupils and families! I hope you've all had a fantastic half term break, filled with rest, enjoyment and some trick or treating thrown in along the way. It's been brilliant to see everyone return to school with such enthusiasm, ready to dive back into learning and new experiences. As we settle into the rhythm of this new half term, I'm excited to share some of the fantastic things happening in our school community. We've certainly hit the ground running this week, with a flurry of activities and events that showcase the vibrant life of our school.

Big Breakfast Quizzes
This week, we have held our first big breakfasts of the year for Years 1-6. It was brilliant to see so many families join us. Thank you to all who joined us to share a hot dog with their child and take part in a fun quiz together. It was a brilliant opportunity for family engagement and a bit of friendly competition! We hope you enjoyed it.

EYFS Open Mornings
Next week, we'll be hosting our first open mornings for prospective parents and children looking to start school in 2027. These events are always a highlight, allowing us to showcase the wonderful learning environment we've created here at Willesborough.
If you have a child starting reception in September 2027, or know someone who does, we'd love to welcome you along. It's a fantastic opportunity to see our school in action, meet our staff, and experience the warm, engaging atmosphere that makes our school such a special place to learn. Our current pupils will be on hand to share their learning experiences with you – they're always wonderful ambassadors for our school. Please contact the school office to book your place.

Attendance
As we begin Term 2, we want to take a moment to thank you for your continued commitment to ensuring your child attends school every day and on time. Good attendance has such an important impact on children's learning, wellbeing and progress. The **start of a new term is a crucial time to re-establish strong attendance habits.** After the half-term break, it's really important that we all work together to maintain the positive routines that support regular attendance. Every school day counts, and consistent attendance from the very start of the term helps children settle back into learning, reconnect with their friends, and build momentum for the weeks ahead. Let's keep this positive momentum going throughout Term 2! As always, if you are experiencing any difficulties with your child's attendance, please contact us. We are here to support families and work together to overcome any barriers.

School Uniform Reminder
We've recently noticed a slip in our school uniform standards, and we'd like to take this opportunity to remind families of the expectations. Wearing the correct uniform helps promote a sense of pride and belonging, and we ask for your support in ensuring children come to school dressed appropriately each day. Full details can be found in our School Uniform Policy which can be found here.

Have a lovely weekend!

OPAL and the wet weather

It is always a delight to see the children enjoying OPAL regardless of the weather, but it's important that, especially when the weather is poor, they have the right clothing and footwear to enjoy OPAL safely and comfortably. Please ensure that your child has a waterproof coat and welly boots in school. We would also like to encourage that spare clothes (e.g. socks, tops, trousers, etc) are brought into school, as many children are getting wet or muddy and we do not hold enough spare clothes at school to cater for every time this happens. Spares are often not being returned to school which means we cannot then provide them to other children who might need them – please ensure that any spares provided are returned. Temperatures may dip on some days so please provide your child with an extra layer of warm clothing if you feel that they will need it. Thank you for your support.

Toys from home

We would like to again remind families that toys of any kind must not be brought in from home. We cannot guarantee them remaining clean or undamaged at school. This includes fidget toys – please speak to the SENDCO if you feel your child needs fidget toys at school.

Missing wellies and waterproofs

We would like to ask families to please check if any children have accidentally taken:
A navy blue Trespass brand all in one puddle suit
Bright yellow wellies
Both are named inside for the child from the Infant School that they belong to. If you find them at home, please bring them in to the Infant School office.

EYFS First Class next week

We are once again taking part in the annual Kentish Express First Class supplement in the Kentish Express! Look out for our wonderful EYFS classes: Owls, Badgers, Robins, and Rabbits.

Homewood School Year 6 Reminder

If you are thinking about your child starting at Homewood School and Sixth Form Centre in 2027, they would like to invite you to their Homewood Assessment day. This will be on Saturday 5th December from 9am to 11.45am. All students who are applying for a place in Year 7 are expected to attend this assessment. You must complete their form by Friday 27th November to book.

Caterlink Parent & Pupil Survey

Caterlink are currently running a survey until 20th December to obtain input from parents and pupils about their service. We encourage you to submit your thoughts either at the link: https://www.surveymonkey.com/r/SCYZD5L
Or by using the QR code.

The survey takes around 9 minutes to complete, and will provide them with valuable feedback on what they are doing well, and, importantly, where they can improve their service.

They will review and report back in the new year.

Introducing the new PTFA committee!

We're delighted to introduce our new Willesborough Schools PTFA committee!

The PTFA plays a really important role in bringing our school community together, organising fun events for the children and raising valuable funds to support both our schools. We're excited to get started and build on the fantastic work of previous committees and volunteers.

We have lots of ideas for the year ahead, including exciting events, fundraising opportunities and ways to bring families together and create special memories for our children.

Of course, none of this would be possible without the support of our wonderful school community. Whether you can spare a few hours to help at an event, donate a prize, share an idea or simply come along and join in the fun, every little bit makes a difference!

We're always keen to welcome new faces and fresh ideas, so if you'd like to get involved, we'd love to hear from you.

You can contact us at willesboroughschoolspta@outlook.com.

Here's to a fantastic year ahead, full of fun, fundraising and community spirit. Thank you for supporting your PFTA – together, we can make a real difference for our children!

Netball teams' new threads

A big thank you to our PTA who have kindly bought the netball teams some very much needed new shirts with patches for the front and back. You can see in the pictures how happy the children are with the kit and can't wait to start wearing it when the Netball League starts back up soon. Thank you!

Fantastic football

A big well done to the year 5 & 6 football team for the last 2 weeks of Term 1. We played Beaver Green on Wednesday of Week 7 and came away with a 5-1 win. The boys were brilliant throughout the whole game and were a joy to watch. Goals from Ralph x2, Cezar x2 and one from Shayan completed the scoring. Ralph was awarded the player of the match award from Beaver Green for his overall play and scored 2 brilliant goals.

On the Tuesday of the last week of term, the team played against Ashford Oaks, in what was another brilliant game to watch. You can really see the passing, work rate and the Willesborough team spirit in the team and again came away with another win, this time winning 6-1. Goals from Ralph x2, Tommy x2, Jake x1 and Alex with the player of the match award going to Shayan for his great composure at the back and defending.

A great start to this year's football league. Keep it going Willesborough!

Shaping Minds, Shaping Our World

Learning at school isn't just about sitting at the table! Everyone learns best in different ways, and we like to try new things to keep the learning experience interesting and exciting for pupils at Willesborough.
This week, Morpurgo Class in Year 3 exemplified this perfectly by practicing different methods for subtraction by working on big paper on the floor together! A very different style of learning, which they loved!
