Message from Mr. Head!

Another week has passed us by in the blink of an eye! We had the pleasure of hosting four open mornings for over fifty prospective parents and children looking to start school in 2027. These events are always a highlight, allowing us to showcase the wonderful learning environment we've created. I was incredibly proud of our current pupils, who were exemplary role models, confidently sharing their learning experiences with our visitors. And we ended it today by celebrating Children in Need, raising money for a very valuable cause. The total raised is £569.13—thank you to everyone who made a donation. We beat last year's total by over £60!

After-school clubs
Please note, that all after-school clubs finish next Friday. Choir's last session will be Monday 7th December. We hope your children have enjoyed the clubs on offer since September and I would like to thank all the staff who have volunteered their time to ensure these clubs happen for our pupils. The next club offer will be sent out to you in January.

Admissions for Reception and Junior School
Is your child currently in Year 2? If your child is currently in Year 2, please remember that you need to apply for a Year 3 space before Thursday 15th January. Please do this in the KCC admissions website using the link below:
Primary school places - Kent County Council
You can also apply for a place if you have a child who is starting Reception in September 2027. If you require some support with this, please do not hesitate to contact the school office.

WJS Open Morning for Year 2 parents
Whilst we are on the topic of open mornings and admissions...we would love to invite you to come and see the Junior School in action on our Open Day, Monday 30th November. It's a great opportunity to experience the fantastic learning environment and ask any questions about admissions.

Is my child well enough to attend school?
We have been concerned about recent attendance dips and want to thank you for helping us get children into school whenever possible—being in class is vital for their learning and routines. Deciding whether to send them in during winter bug season can be tricky, so **this week we launched a 'Feeling Under the Weather' form on our website (contact us section on the front page).** Use it on days when your child is well enough to attend, so staff know to monitor them and call you if they worsen. If they do need to stay home, please call the office on the first day of absence and update us daily. Still unsure? Check the NHS guide: Is my child too ill for school?

Have a lovely weekend!

OPAL and the wet weather

It is always a delight to see the children enjoying OPAL regardless of the weather, but it's important that, especially when the weather is poor, they have the right clothing and footwear to enjoy OPAL safely and comfortably. Please ensure that your child has a waterproof coat and welly boots in school. We would also like to encourage that spare clothes (e.g. socks, tops, trousers, etc) are brought into school, as many children are getting wet or muddy and we do not hold enough spare clothes at school to cater for every time this happens. Spares are often not being returned to school which means we cannot then provide them to other children who might need them – please ensure that any spares provided are returned. Temperatures may dip on some days so please provide your child with an extra layer of warm clothing if you feel that they will need it. Thank you for your support.

Toys from home

We would like to again remind families that toys of any kind must not be brought in from home. We cannot guarantee them remaining clean or undamaged at school. This includes fidget toys – please speak to the SENDCO if you feel your child needs fidget toys at school.

Clarice's Pre-loved Book Sale

We are once again hosting Clarice's pre-loved book sale – how exciting! You can visit between 2.30pm and 4pm on Tuesday 17th November. She will have a whole range of books suitable for ages throughout the primary school years, and toddlers, as well as games. You might want to pop in before picking up your child, or bring them in after school to choose a suitable book with you.

We'd also like to remind parents that the Junior School Library is always looking for donations of age-appropriate books to support children's reading in and out of school.

EYFS First Class this week

We are once again taking part in the annual Kentish Express First Class supplement in the Kentish Express! Have you seen our wonderful EYFS classes: Owls, Badgers, Robins, and Rabbits?

Caterlink Parent & Pupil Survey

Caterlink are currently running a survey until 20th December to obtain input from parents and pupils about their service. We encourage you to submit your thoughts either at the link: https://www.surveymonkey.com/r/SCYZD5L
Or by using the QR code.

The survey takes around 9 minutes to complete, and will provide them with valuable feedback on what they are doing well, and, importantly, where they can improve their service.

They will review and report back in the new year.

Speech and Language Top Tips

Building Language - why it is important and how to do it easily! Play builds language, confidence, and creativity. Follow your child's lead and join in the fun!

🗣️ Narrate what's happening to boost language (no need to ask questions!)
🎶 Add songs and rhymes - this week is World Nursery Rhyme week too so join in by adding song and rhyme into your day.
🧽 Let them play with household items like pans, spoons and cushions
🌿 Don't forget messy and outdoor play — water, sand, mud, puddles. Let them explore, imagine, and get messy!

Newsletter & website surveys - we need your feedback!

We are excited to say we have a new website in the works! We're also conscious that our communications with families need to be effective and helpful to you. So, we'd like to take the opportunity to ask you for your feedback on the school newsletter, as well as the school websites, to help us make sure they're the best for you that they can be. These surveys are totally anonymous.

Please take the time to fill out our newsletter survey here: https://forms.gle/sNKJMnQ5WpDo1gXd9
Our website survey is here: https://forms.gle/9nv1TFaV9DqB33YG7

Many thanks to all families who take the time to submit their feedback.

Choir's Christmas Carol Performance

The school choir has been invited to perform at County Square on Friday 11th December at 3pm as part of the Demelza House Charity Christmas Appeal! The performance will last approximately half an hour and help to encourage donations to the charity. We would love to see as many family members and friends at the performance as possible, to support the children. If you are able to attend, please consider making a donation.

The children will be walking with adults from the school to County Square. We are also looking for parent volunteers to join us for this to help keep the children safe. If you are able to help, please contact the Junior School office.

Attendance

Wonder - Inspire - Shine
Shaping Minds, Shaping Our World

Attendance Update

As we begin Term 2, we want to take a moment to thank you for your continued commitment to ensuring your child attends school every day and on time. Good attendance has such an important impact on children's learning, wellbeing and progress. **The start of a new term is a crucial time to re-establish strong attendance habits.** After the half-term break, it's really important that we all work together to maintain the positive routines that support regular attendance. Every school day counts, and consistent attendance from the very start of the term helps children settle back into learning, reconnect with their friends, and build momentum for the weeks ahead. We are delighted that we are currently exceeding our attendance target of 96%. This is a fantastic achievement and reflects the commitment of our pupils and families to making every school day count. Let's keep this positive momentum going throughout Term 2! As always, if you are experiencing any difficulties with your child's attendance, please contact us. We are here to support families and work together to overcome any barriers.

Introducing the new PTFA committee!

We're delighted to introduce our new Willesborough Schools PTFA committee!

The PTFA plays a really important role in bringing our school community together, organising fun events for the children and raising valuable funds to support both our schools. We're excited to get started and build on the fantastic work of previous committees and volunteers.

We have lots of ideas for the year ahead, including exciting events, fundraising opportunities and ways to bring families together and create special memories for our children.

Of course, none of this would be possible without the support of our wonderful school community. Whether you can spare a few hours to help at an event, donate a prize, share an idea or simply come along and join in the fun, every little bit makes a difference!

We're always keen to welcome new faces and fresh ideas, so if you'd like to get involved, we'd love to hear from you.

You can contact us at willesboroughschoolspta@outlook.com.

Here's to a fantastic year ahead, full of fun, fundraising and community spirit. Thank you for supporting your PFTA – together, we can make a real difference for our children!

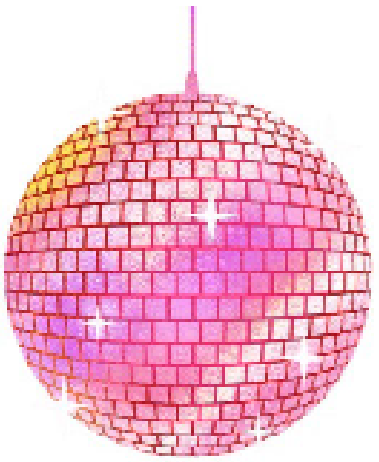
School Disco's



Our first event of the year will be the much-loved school disco's!

We're looking forward to giving the children the chance to hit the dance floor, enjoy some music with their friends and have lots of fun.

Each year group from Reception to Y6 can attend a disco. Reception children will have a **free disco** within school hours. For Years **1**-6 there is a small charge of £4 per child, which will include access to the disco, a drink of squash, packet of crisps and optional temporary tattoo.

Years 5&6 will also have the opportunity to purchase additional snacks from the disco tuckshop. Items will range from 50p-**£1**.

Please book your child onto a disco via Arbor which will be available shortly.

Thursday 19th November	
Years 3&4	4:00-5:15
Years 5&6	5:30-7:00

Friday 20th November	
Reception	2:15-2:45
Year 1	3:00-4:00
Year 2	4:15-5:15

Adult disco helpers needed

If you would like to offer to stay and help at your child's disco, please let the school office know or email us at WillesboroughSchoolsPTA@outlook.com.

Christmas Raffle 2027

This year our Christmas raffle will take place on Monday 14th December and once again we have some amazing prizes for you to win, currently including Eurostar tickets and a Tour & Tasting voucher for 2 at Westwell wines.

Tickets will be coming home with children soon for you to purchase at 50p each, £2.50 a book.

Can you donate a prize?

We are still looking for more prizes for our raffle this year. Do you own a small business, or work for a company that may be willing to donate? Please contact us at willesboroughschoolspta@outlook.com if you can help.

What do we spend our raised funds on?

Last year, your PTFA raised an astounding £18,500 and all of this money goes back to the school to invest in your children. This year we have approved funds for the following items:

- Resources to rejuvenate communal spaces
- 50 x glockenspiel instruments
- 36 x ukelele instruments
- 15 x Chromebook computers
- A book vending machine
- High-quality reading texts for whole-class reading sessions
- Replacement football nets for the PE department
- A workshop, visitor experience or enrichment activity for every year group in the school

Sign of the Week

(Makaton)

Wonder - Inspire - Shine
Shaping Minds, Shaping Our World

Hang on a minute!

Can you practice together at home?

Click here to watch a short video showing this week's sign.

You can also find interesting information about Makaton on our website by clicking here.

What is Makaton?

Makaton is a way of supporting communication using signs and symbols alongside speech.

Using signs can help make spoken language clearer and give children another way to express themselves while they are developing their communication skills.

Using Makaton does not stop children from talking. In fact, using signs alongside speech can help support communication and speech development.

Makaton can be used by everyone, not just children who have communication difficulties.

Using Makaton can help us to:

- Communicate with one another
- Express feelings and emotions
- Support spoken language
- Make communication easier to understand
- Build connections with others
- Help everyone feel included

As we come to near the end of our club, we wanted to recap the yummy things we've made including chocolate apples, healthy natural yoghurt cups, sandwich making, fruit kebabs and yesterday was pizzas. All children have shown great participation learning new skills, understanding the importance of hygiene when preparing food etc, we've even had some helpers with the washing up!
Many thanks to Miss Shaw and Mrs Cook for running the club!
